SANTA MARTA - MAGDALENA

We will start the morning touring the Historic Center, we will move to the park of the bride and groom where we will begin a tour of the city, walking through its most significant murals, to the monument to Rodrigo Bastidas, the Gabriel García Márquez library, La Alcaldía, which is one of the buildings most emblematic in Santa Marta and 12th Street.

Next, we will visit the Cathedral Basilica of Santa Marta, stopping to refresh ourselves with a typical drink and then continue walking along the Post Office Alley and Colonial Street, we return to the starting point and end with the tour. TAYRONA PARK

We leave at 8:00 am for Tayrona Park taking the Zaino entrance. The vehicle leaves us where we started the walk through the jungle, until we reach the first beach which is Arrecife, this is the most dangerous beach in the park, so we will only enjoy the view and the landscape to continue our way to the Pool , which bears its name, because it is surrounded by large rocks which serve as breakwaters and allow the waters to be calm and you can bathe without any inconvenience.

After a nice rest and swim on this beach, we return to the trail and just 30 more minutes away we find Cabo San Juan del Guía, the quietest beach in the Park, its landscape will impress you. We rested on the beach until it was time to return along the same path. Arrival at the hotel at 5:00 in the afternoon.
